Accommodation

Hotel «Pushkarskaya Sloboda» 3*

The Pushkarskaya Sloboda Hotel is located in one of the oldest cities of Russia - Suzdal, on the bank of the Kamenka river. The most famous attractions of Suzdal are situated not far from the hotel. The main feature of the Pushkarskaya Sloboda Hotel is its architectural ensemble, which combines the buildings of the XIXth century with the pieces of wooden architecture. Staying here, the guests can enjoy Russian traditions and spirit.

The hotel is glad to accommodate its guests in originally-designed rooms of different categories, offer them first-class service in the best traditions of Russian hospitality and a range of amenities, which will satisfy both tourists and business guests.

Cities Vladimir

Vladimir was founded in 1108 by Prince Vladimir Monomakh as a fortress. Between the 12th and 14th centuries, it was a cultural and religious centre of North-Eastern Russ. Vladimir is recognized by UNESCO as one of the most valuable treasures of international heritage. All the museums of the town are part of the State Vladimir-Suzdal art and architectural museum complex, featuring displays of military history, crystal, lacquer miniatures and embroidery. The Cathedral of the Assumption is a world-famous architectural monument; The St. Demetrius Cathedral is one of the most beautiful and original cathedrals of Ancient Russ.

Suzdal

Suzdal, situated on the bank of the Kamenka river, was built by several generations of Russian artisans. Nowadays, Suzdal is a museum-town with more than 200 historical and architectural monuments. A museum of wooden architecture and peasant life is created on the site of the former The Monastery of Our Savior and St. Euthimius. Wooden buildings were brought here from different districts of Vladimir region. Places of interest include its own Kremlin, the Bishop's Chambers, The Monastery of Our Savior and St. Euthimius and Nikolskaya Church.
